

INSTRUCTIONS:

- To obtain an accurate ring size measurement, **page scaling must be set to "100%" in your print dialog box.**
- Make sure to uncheck all **"scale to fit"** checkboxes when printing.
- Using a ring worn on the same finger you want sized, place the ring on a circle below. The circle should fit snugly on the inside of the ring. The estimated size appears inside the circle.

Measurements refer to the inside diameter of the ring.
